PREAMBLE: SOURCE AND AUTHORITY

The MetroHealth System has been established as a county hospital and operates and is governed by Chapter 339 of the Ohio Revised Code. These Bylaws have been adopted by the Board of Trustees (the "Board") pursuant to Chapter 339 of the Ohio Revised Code. Any reference to the Ohio Revised Code shall mean the Code as now in effect or as may hereafter be amended and to the corresponding provisions of any similar laws subsequently enacted to those sections and provisions.

ARTICLE I: NAME

The name of this organization shall be The MetroHealth System. The MetroHealth System is the governing authority for an integrated system of health care facilities and programs operated by the organization. The term "organization" when used hereinafter may refer to the entire system or an individual component thereof as the context indicates.

ARTICLE II: ROLE AND PURPOSE

Section 1. Role and Purpose.

The role and purpose of the organization shall be to provide any or all health care or medical services, whether inpatient or outpatient services, diagnostic, treatment, care or rehabilitation services; wellness services; services involving the prevention, detection and control of disease; home health services or services provided at or through various facilities; education, training and other necessary and related services for the health professions; promote and carry on biomedical, health services and other related research; management or operation of any hospital facilities and the management, operation or participation in programs, projects, activities and services useful to, connected with, supporting or otherwise related to the foregoing health, wellness and medical services; wellness programs; and such other activities in furtherance of the foregoing health, wellness and medical services that may be in the best interests of the organization or the persons served by the organization or necessary to perform its mission and functions and respond to change in the health care industry as determined by the Board of Trustees.

Section 2. Mission Statement.

In order to provide a concise statement of the purposes and objectives of the organization for internal and external dissemination, the Board of Trustees shall develop and, from time to time, review and revise as necessary, a Mission Statement which shall be considered an addendum to these Bylaws when approved by the Board.

ARTICLE III: RESPONSIBILITY AND DUTIES

Section 1. Responsibility.

In accordance with the applicable provisions of the Ohio Revised Code, the Board shall have the authority and responsibility for the entire management and control of the organization, and shall establish such rules for its governance and the delivery of health care services as are necessary and expedient. Nothing in these Bylaws shall be construed to limit the statutory authority of the Board in the conduct of the affairs of the organization. The Board shall retain the right to rescind any assignment, referral, or delegation of authority.

Section 2. Education and Orientation.

Trustees of the Board shall understand and fulfill their responsibilities. New Trustees shall participate in an orientation program. Administrative leadership will offer continuing education programs to and share ongoing information with Trustees to assist them in understanding and fulfilling their responsibilities.

Section 3. Standard of Care; Duties.

A Trustee shall perform the duties of a Trustee, including the duties as a member of any committee of the Trustees upon which the Trustee may serve, in good faith, in a manner the Trustee reasonably believes to be in or not opposed to the best interests of the organization, and with the care that an ordinarily prudent person in a like position would use under similar circumstances.

In performing the duties of a Trustee, a Trustee is entitled to rely on information, opinions, reports, or statements, including financial statements and other financial data, that are prepared or presented by the following:

- (1) One or more Trustees, officers, or employees of the organization who the Trustee reasonably believes are reliable and competent in the matters prepared or presented;
- (2) Counsel, public accountants, or other persons as to matters that the Trustee reasonably believes are within the person's professional or expert competence; and/or

- (3) A committee of the Trustees upon which the Trustee does not serve, duly established in accordance with a provision of the Bylaws, as to matters within its designated authority, which committee the Trustee reasonably believes to merit confidence.

For purposes of this section, in determining what a Trustee reasonably believes to be in or not opposed to the best interests of the organization, a Trustee shall consider the purposes of the organization and may consider any of the following:

- (1) The interests of the employees, suppliers, creditors, and customers of the organization;
- (2) The economy of this state and of the nation;
- (3) Community and societal considerations; and,
- (4) The long-term and short-term best interests of the organization, including, but not limited to, the possibility that those interests may be best served by the continued independence of the organization.

Section 4. Vacancies; Removal; Resignation.

All vacancies which occur on the Board by reason of expiration of term, death, resignation or removal from office shall be filled by the appointment of a new Trustee to fill the unexpired term, in accordance with the Ohio Revised Code. Section 8. Meeting by Authorized Communications Equipment.

Trustees or any member of a committee of the Board may participate in and act at any meeting of such Board or committee by means of authorized communications equipment if all persons participating in the meeting can hear each other simultaneously. Any decision by the Expedited Credentialing Committee shall be reviewed and ratified by the full Board at the Board meeting next following the Committee's action.

ARTICLE X: INDEMNIFICATION AND INSURANCE

Section 1. Indemnification.

The organization shall defend and indemnify, to the full extent now or hereafter permitted by law, any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that such person is or was a Trustee, officer, employee or agent of the organization, or is or was serving at the request of the organization as a trustee, officer, employee, member, manger, or agent of another corporation, domestic or foreign, nonprofit or for-profit, limited liability company, partnership, joint venture, trust or other enterprise; provided such person acted in good faith in what he/she reasonably believed to be in or not opposed to the best interest of the organization and, in the case of any criminal action or proceeding, had no reasonable cause to believe that his/her conduct was unlawful. As used in this Section, the terms "liability" and "expense" shall include, but shall not be limited to, counsel fees and disbursements, court costs, judgments, fines, penalties or excise taxes against and amounts paid in settlement by a director, officer, employee, member, manager, or agent other than amounts paid to the organization itself. The termination of any civil or criminal claim, action, suit or proceeding by judgment, order, settlement (whether with or without court approval), or conviction, or upon a plea of guilty or of nolo contendere, or its equivalent shall not create a presumption that the person did not meet the standards of conduct set forth in this Section. This Article shall be interpreted in all respects to expand such power to indemnify to the maximum extent permissible under Ohio law with regard to the particular facts of each case, and not in any way to limit any statutory or other power to indemnify or right of any individual to indemnification.

However, the organization shall defend and indemnify any such agent (as opposed to any Trustee, officer, or employee) of this organization to an extent greater than that required by law only if and to the extent that the Board may, in its discretion, so determine. The defense and indemnification provided hereby shall not be deemed exclusive of any other rights to which those seeking defense and indemnification may be entitled under any law, the articles of incorporation or any agreement, or otherwise, both as to action in official capacities and as to action in another capacity while such person is a Trustee, officer, employee or agent of the organization, and shall continue as to a person who has ceased to be a Trustee, officer, employee or agent and shall inure to the benefit of the heirs, executors and administrators of such a person.

Expenses incurred in defending any civil or criminal action, suit or proceeding or any issue therein, including attorneys' fees, may be paid by the organization in advance of the final disposition of such action, suit or proceeding as authorized by the Board in each specific case, upon receipt of an undertaking by the Trustee, officer, employee, member, manager, or

agent to repay such amounts unless it shall ultimately be determined that he/she is entitled to be indemnified by the institution as authorized in this Article.

Section 2. Insurance.

The organization may, to the full extent then permitted by law and authorized by the Board, purchase and maintain insurance on behalf of any person described in Section 1 of this Article VIII against any liability asserted against and incurred by such person in any capacity defined in Section 1, or arising out of said person's status as described in Section 1, whether or not the organization would have the power to indemnify such person against such liability.

Section 3. Bonding.

In accordance with the Ohio Revised Code, the organization shall bond each Trustee for the proper performance of his/her duties.

ARTICLE XI: CHIEF EXECUTIVE OFFICER

Section 1. Appointment of Chief Executive Officer.

The Board shall select and appoint a chief executive officer who shall be its representative in the management of the organization. The chief executive officer shall have the title of President and Chief Executive Officer. The President and Chief Executive Officer shall be given the necessary authority and responsibility to operate the organization in all its activities and departments, subject only to such policies as may be issued by the Board or by any of its Committees to which it has delegated power for such action. The President and Chief Executive Officer shall act as the duly authorized representative of the Board in all matters in which the Board has not formally designated some other person to so act.

Section 2. Responsibility of President and Chief Executive Officer.

The authority and responsibility of the President and Chief Executive Officer shall be as defined by the Board from time to time consistent with the provisions of Ohio Revised Code Chapter 339.

Section 3. Review of Chief Executive Officer Performance.

The Board shall review the performance of the President and Chief Executive Officer, which shall include the institutional objectives and goals established by the Board, from time to time as the Board deems appropriate.

ARTICLE XII: MEDICAL STAFF

Section 1. Organization and Bylaws.

The Board shall organize the physicians, dentists, podiatrists, psychologists, optometrists, advanced practice providers and appropriate other persons granted practice privileges in the organization into a Medical Staff under Medical Staff Bylaws approved by the Board.

The Medical Staff Bylaws and Rules and Regulations shall be periodically reviewed and amendments, thereto, shall be recommended by the Medical Staff for approval by the Board; provided, however, that nothing contained in the Medical Staff Bylaws or in these Bylaws is intended to limit the statutory powers granted to the Board by the Ohio Revised Code.

All privileged practitioners on the Medical Staff shall abide by the Medical Staff Bylaws and the Medical Staff Rules and Regulations.

The President of the Medical Staff shall represent the Medical Staff at meetings of the Board.

Section 2. Appointments.

The Board shall appoint, in numbers not exceeding the organization's needs, privileged practitioners who meet the qualifications for such privileges as set forth in the Medical Staff Bylaws.

All applications for appointments of Medical Staff privileges shall contain full information concerning the applicant's education, licensure, practice, previous hospital experience, and any unfavorable history with regard to licensure and hospital privileges. The organization shall verify the authenticity of the applicant's credentials and the appropriateness of the proposed appointment.

All initial appointments and reappointments to the Medical Staff shall be for a period of not more than two years.

The Medical Executive Committee, representing the Medical Staff, shall make recommendations through the President of the Medical Staff to the Board or, if applicable, the Expedited Credentialing Committee, concerning granting of clinical privileges; disciplinary actions; and all matters as may be referred to it by the Board.

Section 3. Authority and Responsibility for Care.

The Board shall, in its exercise of its overall responsibility, assign to the Medical Staff reasonable authority for ensuring appropriate professional care to the organization's patients.

Each privileged practitioner appointed to the Medical Staff shall have appropriate authority and responsibility for the care of his or her patients, subject to such limitations as are contained in the Medical Staff Bylaws and Rules and Regulations and subject, further, to any limitations attached to his or her appointment.

Section 4. Evaluation of Care.

The Medical Staff shall conduct an ongoing review and appraisal of the quality of professional care rendered in the organization and shall report such activities and their results to the Board or its authorized committee.

Section 5. Hearings.

When an appointment is not to be renewed, or when privileges have been or are proposed to be reduced, altered, suspended, or terminated, the privileged practitioner involved shall be afforded the opportunity of a hearing and appellate review as set forth in the Medical Staff Bylaws. Procedures for such hearings and appeals shall be defined in the Medical Staff Bylaws, approved by the Board, and shall ensure due process and afford full opportunity for the presentation of all pertinent information. If the reason for the action is determined to be purely administrative in nature and not involving the individual's clinical competence, the organization shall follow its usual personnel processes.

ARTICLE XIII: VOLUNTARY ORGANIZATIONS

The Board welcomes the assistance of all voluntary organizations affiliated with the organization to aid in the advancement of the goals and purposes of the organization. All voluntary organizations shall adopt a formal statement of purpose and planned activities either in the form of bylaws, rules and regulations, or other suitable documentation. Such documents and any amendments to these documents shall be submitted to the Board for approval.

ARTICLE XIV: AMENDMENTS

These Bylaws of the Board may be amended by affirmative vote of a majority of the total membership of the Board, provided that the text of any such proposed amendments shall have been provided to each member of the Board at least ten days prior to the meeting at which action is to be taken. When action to amend or revise the Bylaws is taken, the date of such amendment or revision shall be noted in an addendum to these Bylaws.
